Community

Trousdale County is the smallest county in Tennessee. Nestled in the heart of Middle Tennessee, Trousdale County is comprised of 75,000 acres (117 square miles) and offers a blend of rich history, natural beauty and warm hospitality. Trousdale County is a rural county and is known for its tobacco fields and agriculture. Hartsville, named after James Hart who was a postmaster and esquire, is the county seat.

Trousdale County was formed in 1870 from parts of Macon, Smith, Sumner and Wilson counties and is considered to be a constitutional county. It was named for William Trousdale who was a Brigadier General in the Mexican War, Governor of Tennessee, and US Minister to Brazil. Trousdale County is situated on the Cumberland River with green hills and spring filled valleys.

Once home to the world's largest proposed nuclear plant, the site is now home to an industrial park which includes small industries and has enhanced Trousdale County's economy and provided job opportunities for local residents.
